1. Should public schools be required to allow students use the bathroom or locker room of their preference, regardless of the student's biological sex?

No

2. Should abortion be prohibited once the unborn child's heartbeat can be detected?

No

Explanation: There should be absolutely no government intervention whatsoever in a woman's decision to have an abortion or not to have an abortion. This is strictly a decision that should be made between a woman and her professional healthcare provider.

3. Should Congress make permanent the middle class tax relief provisions of the Tax Cuts and Jobs Act of 2017?

Yes

Explanation: Congress should go beyond making permanent the middle class tax relief provisions of the Tax Cuts and Jobs Act of 2017 by substantially increasing the tax rate on all corporate profits beyond one million dollars.

4. Should federal funding be withheld from "Sanctuary Cities" that do not comply with federal immigration laws?

No

Explanation: We need to make it easily possible for anyone and everyone who legally wants to work in the United States or legally become an American citizen to do so.

5. Should adults have to get a permit or license in order to concealed-carry a firearm?

Yes

6. Should Washington stop pressuring states to use the Common Core curriculum standards?

Yes

7. Should marijuana be legalized for recreational use?

Yes

Explanation: We should put an end to America's ugly war on drugs as soon as possible by abolishing the current laws regulating hemp and cannabis. Eliminating the prohibition of recreational marijuana in the United States would help to usher in an era of peace and prosperity worldwide.

8. Should government fine or penalize private bakers or florists who do not wish to use their artistic expression to celebrate a same-sex wedding?

No

9. Should organizations that provide abortions, such as Planned Parenthood, be prohibited from receiving federal funds?

No

Explanation: There should be absolutely no government intervention whatsoever in a woman's decision to have an abortion or not to have an abortion. This is strictly a decision that should be made between a woman and her professional healthcare provider.

10. Should the federal minimum wage be raised to \$15 per hour?

Yes

Explanation: The federal minimum wage should initially be raised to \$15.00 per hour with an annual cost of living adjustment, in order to make a working wage in America a living wage and to provide the American workforce with security, dignity and a comfortable lifestyle.
