1. Should public schools be required to allow students use the bathroom or locker room of their preference, regardless of the student's biological sex?

No

Explanation: Thoughts or preferences cannot and do not change biological sex or gender.

2. Should abortion be prohibited once the unborn child's heartbeat can be detected?

Yes

Explanation: Abortion should be prohibited after conception.

3. Should Congress make permanent the middle class tax relief provisions of the Tax Cuts and Jobs Act of 2017?

Yes

4. Should federal funding be withheld from "Sanctuary Cities" that do not comply with federal immigration laws?

Yes

Explanation: Where the federal government has a legal basis for doing so.

5. Should adults have to get a permit or license in order to concealed-carry a firearm?

Yes

Explanation: Solely to ensure that they have undergone proper training by NRA, CCA, or other similar trainers.

6. Should Washington stop pressuring states to use the Common Core curriculum standards?

Yes

Explanation: And similar standards under any other name. States, Ohio being one, are changing slight details and re-naming the program.

7. Should marijuana be legalized for recreational use?

No

8. Should government fine or penalize private bakers or florists who do not wish to use their artistic expression to celebrate a same-sex wedding?

No

Explanation: And the Supreme Court could have done better. Let the market decide. It is not the government's business.

9. Should organizations that provide abortions, such as Planned Parenthood, be prohibited from receiving federal funds?

Yes

Explanation: Forget their denial that the government funds they receive are not used for abortions but for "women's health." Dollars are fungible.

10. Should the federal minimum wage be raised to \$15 per hour?

No

Explanation: The market must and does decide minimum wage as businesses compete for workers. Government imposition results only in loss of jobs at the low end.
